

October 2017 Sweetwater Regulators Stage 4

THE DAKOTA MINING COMPANY

Ammo required: 10 Pistol 10 Rifle 4+ Shotgun

A band of five nasty Outlaws has opened Dakota's dam and flooded Tunnel #3 so they can rob the payroll office. You get your men out of Tunnel #3 and then blow it up. Now you and your men go can after the Outlaws and save the mine's payroll.

Stage Procedure:

Pistols loaded with (5) rounds each HDOEC. Rifle loaded with (10) rounds, HDOEC staged on center table. Shotgun staged on left table open and empty

Starting Position:

Standing in the right bay with both hands on the Dynamite Plunger

When the Shooter is ready say the line "Fire in the hole"

At the Beep, Push the Plunger down and move to the center bay. Retrieve your rifle and sweep the Cowboys twice in any direction. No double taps. Make Rifle safe and re-stage on table. With your Pistols sweep the Cowboys twice in any direction. Holster and move to left bay. Retrieve your shotgun and sweep the Knockdowns in any direction until down. Make Shotgun safe. Retrieve your rifle and proceed to the unloading table.

Targets (4) knockdowns, (5) Cowboys
